

Sid the Science Kid Day at the California Science Center Little Scientists Explore, Investigate and Discover

WHAT: Free event featuring **Sid the Science Kid™** from the award-winning PBS KIDS® TV series, produced by The Jim Henson Company and KCET/Los Angeles. Young kids and their parents can explore hands-on exhibits, walk through a living kelp forest, experiment on a polar ice wall and investigate some of the Earth's most fascinating ecosystems.

Kids will learn how to use their senses and natural curiosity to observe, predict and explore the world around them with numerous interactive science stations.

The day will also showcase sneak-peek screenings in English and Spanish of "Sid's Super Kick," a new episode of **Sid the Science Kid** featuring live action segments filmed at the California Science Center. Also, the **world premiere** of "Sid's Fun Family Singalong," an all new live musical show starring Sid and fun for the whole family.
