The Jim Henson Company has remained an established leader in family entertainment for over 50 years and is recognized worldwide as an innovator in puppetry, animatronics and digital animation. Best known as creators of the world famous Muppets, Henson has received over 50 Emmy Awards and nine Grammy Awards. Recent credits include the Emmy® nominated "Sid the Science Kid," "Dinosaur Train" "Wilson & Ditch: Digging America" and "Pajanimals." Features include "The Dark Crystal," "Labyrinth," "MirrorMask," and "Unstable Fables" and television productions include "Fraggle Rock" and the sci-fi cult series "Farscape."

With additional locations in New York and London, The Jim Henson Company is headquartered in Los Angeles on the historic Charlie Chaplin lot, complete with soundstage and postproduction facilities. Independently owned and operated by the five adult children of founder Jim Henson, the Company is also home to Jim Henson's Creature Shop™, a pre-eminent character-building and visual effects group with international film, television and advertising clients, as well as Henson Recording Studios, one of the music industry's top recording facilities known for its world-class blend of state-of-the-art and vintage equipment.

The Company's Henson Alternative brand recently launched the New York run of "Stuffed and Unstrung," a live puppet improvisational show at the Union Square Theatre.
